

Public School Choice

The Crystal City School District has 1 building in Title 1 School Improvement, Crystal City Elementary. We have single attendance centers (no other elementary with the same grade span); therefore, we **cannot** offer the School Choice option.

Supplemental Education Services (SES)

Under the Federal No Child Left Behind Act of 2001 (NCLB), this option of after-school tutoring by an approved provider is available to parents of eligible children that attend a Title 1 school in School Improvement Level 3, and every year thereafter the building is in School Improvement status.
